

About CVS Caremark

CVS Caremark (NYSE: CVS) is the largest provider of prescriptions and related health care services in the nation. The Company fills or manages more than 1 billion prescriptions annually. Through its unmatched breadth of service offerings, CVS Caremark is transforming the delivery of health care services in the U.S.

The Company is uniquely positioned to effectively manage costs and improve health care outcomes through its approximately 6,300 CVS/pharmacy stores; its pharmacy benefit management, mail order and specialty pharmacy division, Caremark Pharmacy Services; its retail-based health clinic subsidiary, MinuteClinic; and its online pharmacy, CVS.com. General information about CVS Caremark is available through the Investor Relations portion of the Company's website, at <http://investor.cvs.com>, as well as through the pressroom portion of the Company's website, at www.cvs.com/pressroom.

Employees: 190,000
